

Flap Discs

For use on Die Grinder

The most versatile abrasive, our Flap Disc will grind aggressively and polish without contaminating the base metal.

Features

- Proprietary abrasive formulation for cool cutting with light pressure.
- No contaminants - rust and corrosion free even on stainless.
- Durable, high thread count fiber flaps.
- The flap design allows for grinding or polishing all in one wheel.

Overview

Operator pressure determines how aggressive or delicate a job this abrasive will do. As the disc is used the flap edge wears out first producing a polishing surface. Underneath that area are aggressive Zirconia alumina grains that grind quickly. Highly versatile and available in many grit sizes this wheel will take as little or as much metal off as the operator chooses. Backing Holder and Quick Change Mandrel required.

Options

Part #	Style	Size	Grit
995901	Flap Disc	3"	40G
995902	Flap Disc	3"	60G
995903	Flap Disc	3"	80G
995904	Flap Disc	3"	120G
995907	Flap Disc	2"	40G
995909	Flap Disc	2"	80G
995708	Backing Holder	Required for 3" Flap Discs	
995906	Backing Holder	Required for 2" Flap Discs	
995709	Quick Change Mandrel	Required for all Backing Holders	

Die Grinding Assortment Kit

For Use On Die Grinder or High Speed Cutter

All of Rockmount's air tool abrasives in one convenient kit. From cutting to grinding to polishing, everything is here in a handy drawer, ready when you are.

Features

- Designed To Cut Quicker and Last Longer
- Rockmount Quality Throughout
- Superior Carbide Formulations
- Metal Drawer Fits In Standard Cabinets

Characteristics

At Rockmount our motto is "Designed to Weld Stronger and Last Longer" and that philosophy carries over to our abrasives too. Our cutoff wheels have a superior fiberglass foundation for extra durability and safety. Our flap discs are built with a high thread count fabric flap designed to outwear the competition. These assortments include the highest quality and longest lasting abrasives available. They include the mandrels and backing pads in a steel case that fits in your standard drawer cabinet.

Options

Part #	Style	Size	Grit
9956	Small Die Grinding Assortment (19pc): Fiber Discs, Condition Discs, Unitized Wheels, Flap Discs, Mounted Flap Wheels, Backing Holders, and Mandrel, Cut Off Wheels	1" – 3"	60 – 120 Fine – Extra Course
9957	Large Die Grinding Assortment (33pc) Fiber Discs, Condition Discs, Unitized Wheels, Flap Discs, Mounted Flap Wheels, Backing Holders, and Mandrel, Cut Off Wheels	1" – 3"	60 – 120 Fine – Extra Course
